*Notice for our
Guests with dogs*

Your four-legged friend is very welcome here!

To ensure that all our guests feel comfortable and our team can work without disturbance, we kindly ask for a few small considerations:

- Please do not leave your dog unattended in the studio when housekeeping comes for cleaning.
- We kindly ask that dogs do not climb on sofas, beds, or other furniture – this helps keep everything in good condition for future guests.
- Should your dog have a little accident, please inform us immediately so we can assist quickly.
- We are happy to provide extra dog blankets or covers to best protect the furniture and furnishings – just let us know.

OUR WALKING-THE-DOG GUIDE

- In all public areas of the hotel, dogs must be kept on a leash.
- For walks, please use the designated paths and areas – and not the surrounding meadows. These fields are used by the farmers of Oberbozen as feed for their cows and other livestock and therefore need special protection.
- Please remember to always clean up after your dog – waste bags are of course available.

With these small considerations, you help ensure that not only your dog, but also future guests, our team, and the local community feel equally comfortable.
